Dear Parents & Guardians,

- **Change** of date for the next P & C Meeting. Now scheduled for Tuesday May 27. Hope to see you there.
- **Annual** expo for school leavers is on at the Convention Centre next Tuesday. Most of our senior students are attending. They will be taking the city council bus to get there and back. Parents are most welcome to join in. RSVP please.
- **Students** thoroughly enjoyed the circus last week! All of the students were extremely well behaved especially considering the circus went a bit longer than what was expected. Quite a few of the students received awards at parade yesterday for their efforts at the circus.
- **The Cold** and flu season is upon us. A number of staff and students are absent. Please keep your child home if they have a cold to assist in stopping the spread of the dreaded “cold bug”.
- It is an **expectation** that all students wear the school uniform or a maroon/blue tracksuit in winter everyday to school. Shoes must be worn on the bus. As part of our student Code of Behaviour, endorsed by the P & C, transport to school by the bus service is contingent on the students’ wearing the school uniform/colours daily. Please ensure that your child is wearing the school uniform/colours and shoes on the bus daily or they may forfeit transport. I know that may seem to be a bit harsh but the P & C/staff are attempting to differentiate school from home time. Blue jeans are not acceptable.
- Sandra Tripp from the P & C has some information that the Bendigo Bank is sponsoring a “Big Day Out” type event for young adults 15+ with a disability to be held at the Logan Community Centre on July 30. More details will be sent home when we receive more information.
- Information regarding the department of Disability Services-Queensland is available at www.disability.qld.gov.au (Home page is reproduced on the back of the newsletter)
- “GO THE MAROONS”

Please note that we do not have the facilities to reheat or cook students morning tea or lunches. If students need to have a hot lunch, for example soup or noodles etc. please place in an appropriate thermos that will retain the heat.
