# Calamvale Special School Newsletter

To Learn, to Live, to Grow

## Important Dates:

Wed 27 March HPV vaccinations  
Fri 4 April Last day of Term 1

## Grand Schools Competition

Last week we moved to fourth place in the competition, however, *this week we have returned to second place!* Next week the weekly prizes start for the school who presents the highest value of docketts *per student enrolment*.

Please tell all of your family and friends about this competition and don't forget to put your docketts in at the customer service desk. Alternatively, parents and carers can send their docketts into the school and a P & C representative will hand them into the Customer Service Desk.

## Opening of the Multi-Sensory Room

The official opening of the Calamvale Special School Multi-Sensory Room was held on Monday 17th March at 9.30am. A good number of school and community representatives attended the opening. Ms Karen Struthers MP who is the State member for Algester, officially opened the room. Everybody at the opening was very impressed by the new facilities in the Multi-Sensory Room. Thank you to all parents who attended this event.

## Disabled Parking Bays

The school has recently received confirmation that 3 disabled parking bays will be placed outside the parent pick up area on the service road. These bays should be completed by the end of May and will assist parents of students' in wheelchairs in accessing closer parks.

## Parent Drop Off/Pick Up

We have recently had some confusion in regards to a possible road closure on the service road off Beaudesert Road. This issue has been clarified with only the **one way section of the service road being closed**. This section of the road begins after our parent drop off and pick up area. Parents and carers can therefore continue to use the regular parent drop off and pick up area without being affected.

**More information over the page!**

### **Students Of The Week**

A number of students received awards on parade this week for being 'Student of the Week'. These students are: Jessica (J1), Tyresse (J2), Luke (J3), Zachary (J4), Morgan (M1), Joshua (M2), James and Dylan (M5), Megan (M6), Kevin (S2), Tony (S5), Evelyn (S6). Courtney (M6) also received a swimming award from Miss Conomos our Physical Education teacher. Congratulations to these students for working hard in class, in the playground and in the community.

### **Monster Garage Sale**

The Calamvale Special School Monster Garage Sale is once again on this year! This event will be on Saturday 10th May from 8am-12pm and it promises it to be a fantastic day. Lots of bargains to find (books, clothes, toys, bric a brac). Why not grab a sausage sizzle while you're here!

Senior 1 will be running a tom bola stall at the Monster Garage Sale but need assistance in the form of donated empty bottles and dry groceries (pasta, lollies, soup etc).

If you can assist with any donations please send them in to the school at your earliest convenience.

### **Position Vacant-Registered Nurse**

Our school has recently been appointed a 2 day a week nursing position. This position will be based at Calamvale Special School and will service students at our school as well as students from other schools in the area. The position is currently advertised at: [www.jobs.qld.gov.au](http://www.jobs.qld.gov.au)

Have a great week!

Nicole Finch  
Acting Principal

Eleanor Angwin  
Acting Deputy Principal
